

Year of the Dragon

Dragons were born in

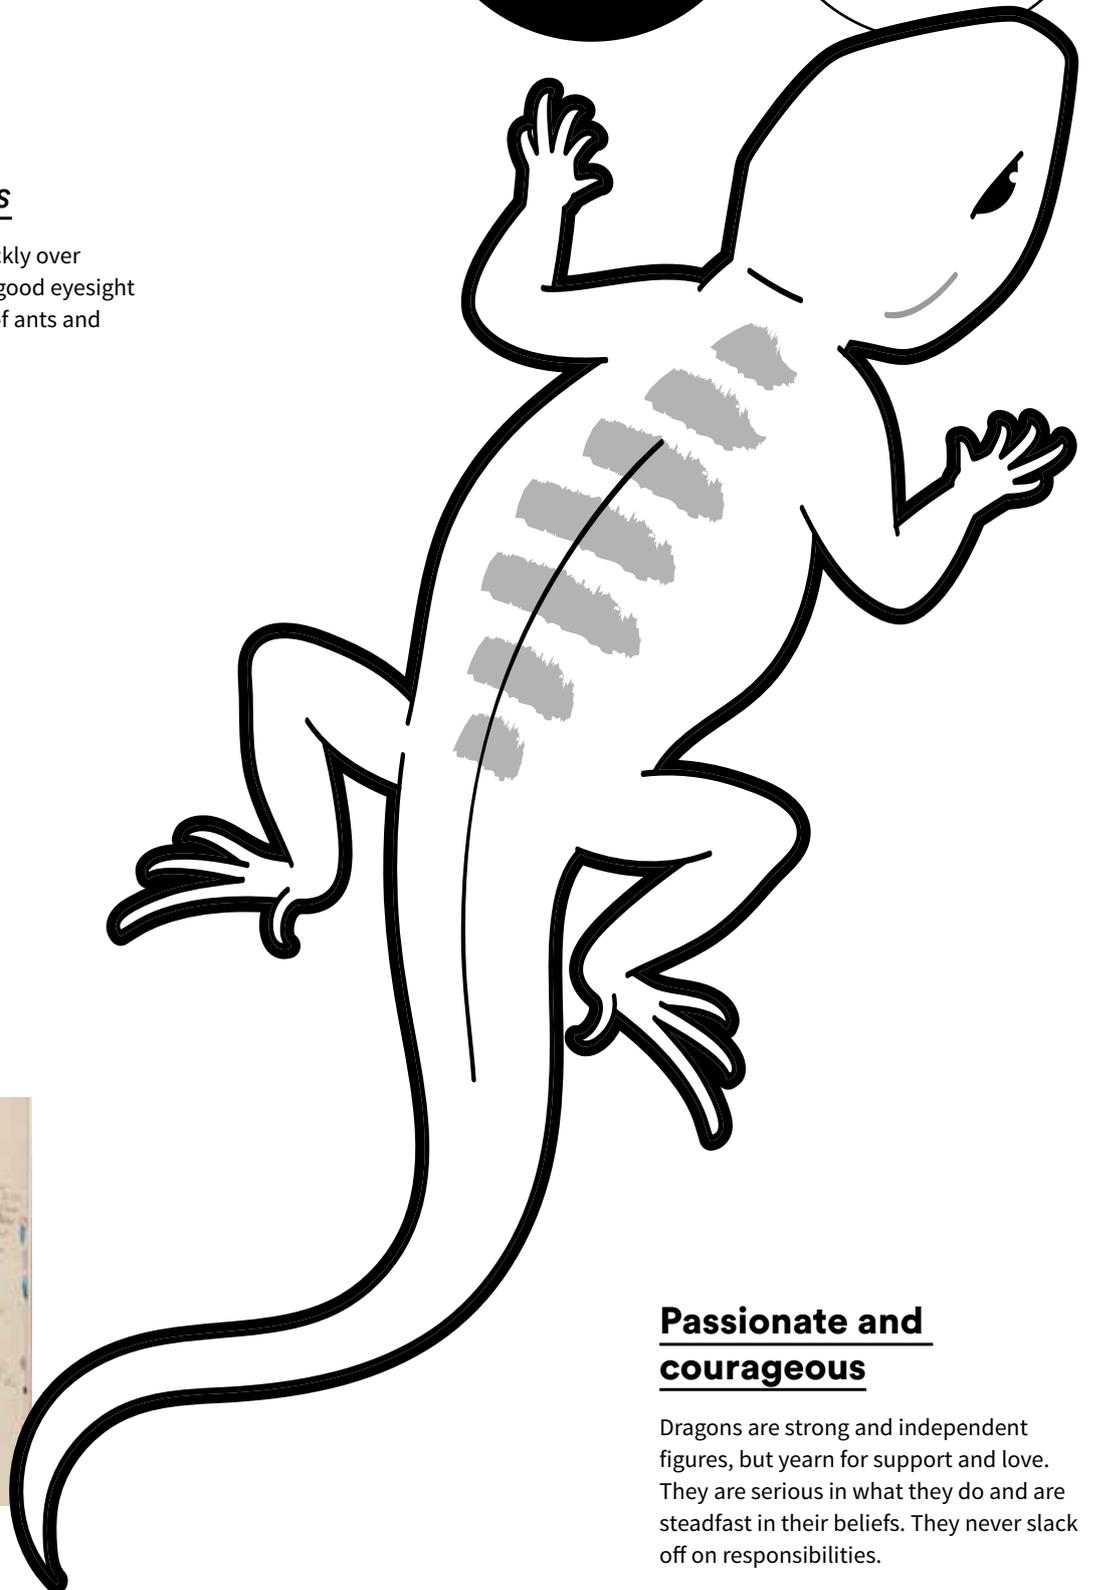

1928 1940 1952
1964 1976 1988
2000 2012

Painted dragon *Ctenophorus pictus*

This small lizard can move quickly over short distances. It is alert with good eyesight which it uses to catch its prey of ants and other insects.

Artist: Sir Walter Baldwin Spencer
Source: Museums Victoria

Passionate and courageous

Dragons are strong and independent figures, but yearn for support and love. They are serious in what they do and are steadfast in their beliefs. They never slack off on responsibilities.
