

<b>Question or reflective statement</b>	<b>Response</b>	<b>Data or evidence</b>
<p>For example: <i>What evidence was there of land degradation on the farm we visited?</i></p>	<p><i>The farm we visited had signs of water and wind erosion, soil salinity and issues with irrigation. Urban sprawl was also impacting the place with increased pollutant run-off and litter.</i></p>	
<p><b>In conclusion, I think...</b></p>
